91 $910	92 $920	93 $930	94 $940	95 $950	96 $960	97 $970	98 $980	99 $990	100 $1,000

How it works

1. **Save $10 a day**
   Each box is one day and $10.
2. **Color the day**
   The number in the box is your total saved so far.
3. **Missed a day?**
   Save $20 the next day to catch up.

The math

100 days × $10

= $1,000

$10 every day

Finished on _____

Small amounts add up.

General education, not financial advice.
