Oak & Cents

25 Envelope Challenge

Save $325 with 25 envelopes.

Saving for _____

Start date _____

$1	$2	$3	$4	$5
$6	$7	$8	$9	$10
$11	$12	$13	$14	$15
$16	$17	$18	$19	$20
$21	$22	$23	$24	$25

How it works

1. **Pick any envelope**
   Save the amount on it. Use real envelopes or a savings account.
2. **Color it in**
   Each envelope only once. Go in order or pick at random.
3. **Choose a pace**
   One a day takes 25 days. One a week takes 25 weeks.

The math

$1 + $2 + $3 + ... + $25

= $325

25 envelopes, $1 up to $25

Finished on _____

General education, not financial advice.
