Oak & Cents

$5 a Day Challenge

Save $150 in 30 days.

Saving for _____

Start date _____

Day 1 $5 total $5	Day 2 $5 total $10	Day 3 $5 total $15	Day 4 $5 total $20	Day 5 $5 total $25	Day 6 $5 total $30
Day 7 $5 total $35	Day 8 $5 total $40	Day 9 $5 total $45	Day 10 $5 total $50	Day 11 $5 total $55	Day 12 $5 total $60
Day 13 $5 total $65	Day 14 $5 total $70	Day 15 $5 total $75	Day 16 $5 total $80	Day 17 $5 total $85	Day 18 $5 total $90
Day 19 $5 total $95	Day 20 $5 total $100	Day 21 $5 total $105	Day 22 $5 total $110	Day 23 $5 total $115	Day 24 $5 total $120
Day 25 $5 total $125	Day 26 $5 total $130	Day 27 $5 total $135	Day 28 $5 total $140	Day 29 $5 total $145	Day 30 $5 total $150

How it works

1. **Save $5 a day**
   Move it to savings or drop it in a jar each night.
2. **Color the day**
   The small number is your total saved so far.
3. **Missed a day?**
   Save $10 the next day to catch up.

The math

30 days × $5

= $150

$5 every day
