Oak & Cents

50 Envelope Challenge

Save $1,275, one envelope at a time.

Saving for _____

Start date _____

$1	$2	$3	$4	$5
$6	$7	$8	$9	$10
$11	$12	$13	$14	$15
$16	$17	$18	$19	$20
$21	$22	$23	$24	$25
$26	$27	$28	$29	$30
$31	$32	$33	$34	$35
$36	$37	$38	$39	$40
$41	$42	$43	$44	$45
$46	$47	$48	$49	$50

How it works

1. **Pick any envelope**
   Save the amount on it. Use real envelopes or a savings account.
2. **Color it in**
   Each envelope only once. Go in order or pick at random.
3. **Choose a pace**
   One a day takes 50 days. One a week takes 50 weeks.

The math

$1 + $2 + $3 + ... + $50

= $1,275

50 envelopes, $1 up to $50

Finished on _____

Small amounts add up.

General education, not financial advice.
