How it works

1. **Save the week's amount**
   Week 1 is $0.50, week 2 is $1, and so on up to $26 in week 52.
2. **Color the box**
   The small number is your total saved so far.
3. **Ready for more?**
   The full-size challenge doubles every amount: $1,378 in a year.

The math

$0.50 + $1 + $1.50 + ... + $26

= $689

52 weeks, $0.50 up to $26
