How it works

1. **Save the week's amount**
   Week 1 is $1, week 2 is $2, and so on up to $52 in week 52.
2. **Color the box**
   The small number is your total saved so far.
3. **Want it the other way?**
   Start at week 52 and work back to week 1. Same total.

The math

$1 + $2 + $3 + ... + $52

= $1,378

52 weeks, $1 up to $52
