Christmas Gift List

Every name gets a budget.

Year _____

Gift budget $ _____

Every name, one number each

Write the budget for each name before you shop. Fill in "Spent" the day you buy.

Gift budget $ _____ − Total spent $ _____ = Left $ _____

Set the number first

Pick one gift total you can pay with money you have or will save by December. Write it at the top.

Then split it across the names. The budgets on the list should add up to that total, not more.

Low cost ideas

Baked treats, a framed photo, a family recipe card, a coupon for time together, a favorite snack box, a handwritten letter.
