How it works

1. **Save the week's amount**
   Week 1 is $10, week 2 is $20, and so on up to $100 in week 10.
2. **Write the date, color the box**
   The small number is your total saved so far.
3. **Too big this year?**
   The $275 chart halves every amount: $5 up to $50.

The math

$10 + $20 + $30 + … + $100

= $550

10 weeks, $10 up to $100
